

"ZR LITE increases the speed and range of my Learjet. I get *paid* to go fast; it just makes sense."

– RUSTY WALLACE
NASCAR Champion
Pilot of Learjet 31A-ER

"I always thought the Lear 31A was a great airplane. When the Raisbeck Aft Locker became available, I thought, 'That's really cool!' Now I can put my tail stand, luggage, golf clubs and skis back there. That really cleaned up the baggage problem of my 31A.

"But then when the ZR LITE kit came out, and I knew I could go faster yet? Hey, man, I get paid to go fast. I really like that one!"

Think Raisbeck. *It just makes good business sense!*
