WE DID.

---

“Lower ITT, less fuel burn,  
greater performance and cost  
savings.”

– Steve Vennerbeck  
Wal-Mart Aviation

---

“I recently flew from Quebec to  
Africa and back, and we showed  
about 7% fuel savings on that  
particular flight and were able to  
push the aircraft farther into the  
mission.”

– Pat Renaud  
Skyservice Air Ambulance

---

“I want the fastest aircraft in the  
entire NASCAR fleet, and I’ve  
got that now.”

– Rusty Wallace  
Rusty Wallace, Inc.
